For your Thermo King Units

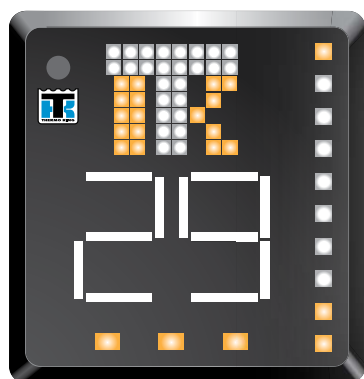

Remote Status Lights

Stay on top of your reefer's status with just a glance in the rear view mirror!

- Available in 3 configurations
- Helps avoid expensive out-of-fuel shutdowns
- For use with all Thermo King SB trailer units with SR-2 controllers (basic Status Light works with any controller)
- Solid state design - sealed against elements with no bulbs to replace

**AVAILABLE FOR
CARRIER UNITS! SEE
PAGE 65**

Triple Combo Display

With all of the features of the Status Only and Fuel Combo Displays, this Display also gives you the reefer temperature.

Fuel Combo Display

Offers all features of Status Only display, plus fuel level display and low fuel, check alarm and shutdown alarms.

Status Only Display

Provides on-road visibility to basic functions, including check alarm codes and shutdown alarms.
